

SCSJ3343 Software Quality Assurance Project 3 Instruction

Radziah Mohamad

Project Timeline & Grading

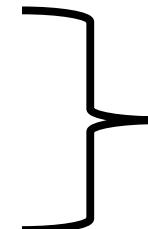

A test management tool: Testlink will be used for PR2 and PR3. Your lecturer will invite you to the tool.

Instruction

- i. Execute all Test Cases designed in Project 2. The testers assigned should execute the system manually based on the test cases designed and record the findings in the test cases in Testlink.
- ii. Group leader should assign each team members to related test case execution.
- iii. **Each tester must capture the screen of the execution for 3 Test Cases. This is as an evidence of the execution result.**
- iv. Input the results of the test execution to the Test Link.
- v. Generate the Test Execution Report.
- vi. Each group need to submit a screen capture of the execution as evidence (**3 Test Cases per tester**). The screen capture can be compiled together into the Test Execution Report accordingly.

Deliverables

- i. Test Execution Report - 10% of carry marks
 - Together with the screen capture as evidence
 - ii. Peer Review Assessment
 - iii. Leadership Assessment
- 
- 2% of carry marks**
